

Company Profile

YUANTEX
HSTTEX

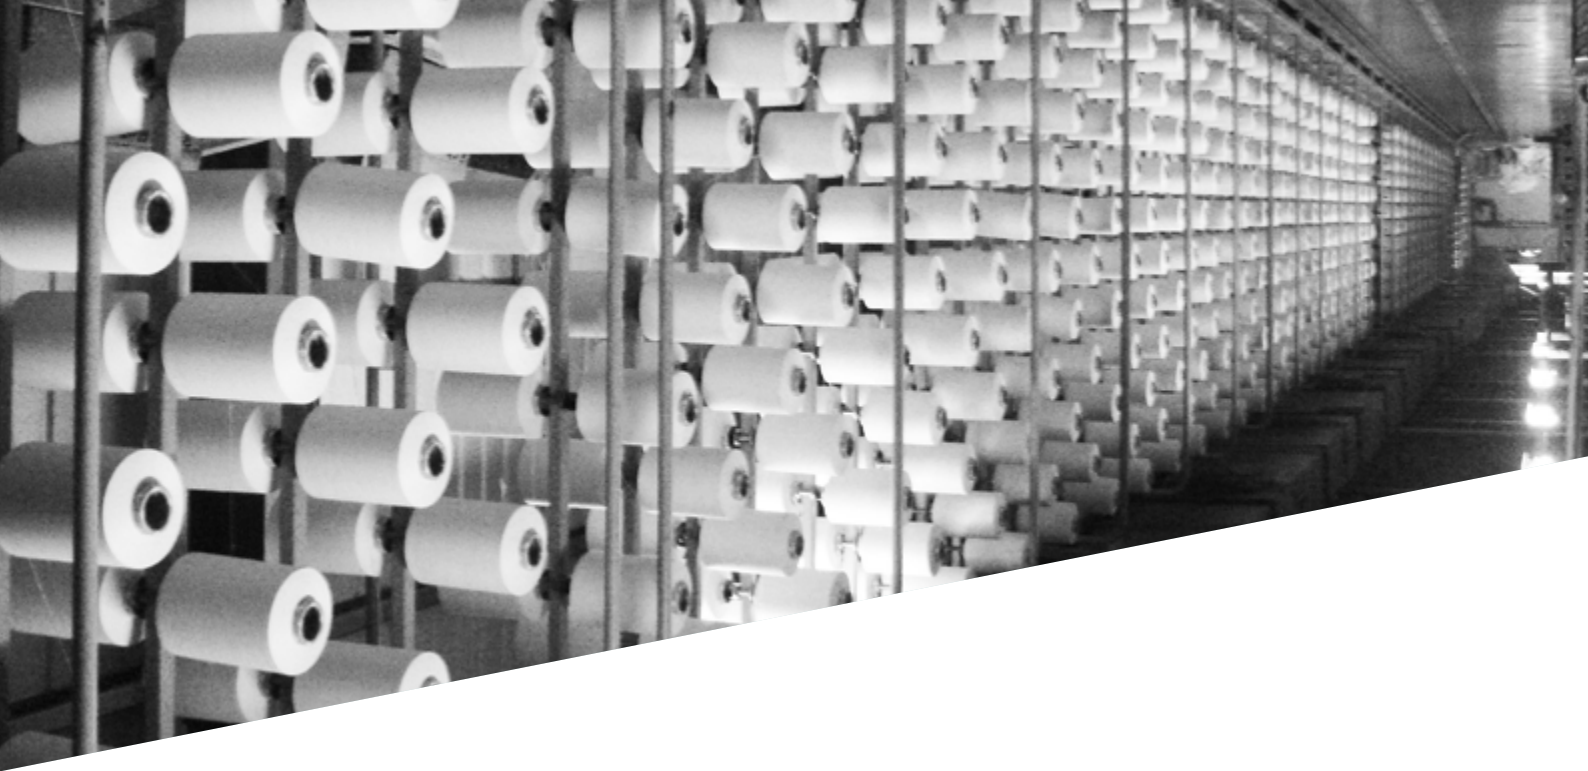

YUANTEX is a high-performance textile supplier, established in 1989, based in Taipei Taiwan.

Our collection is predominantly focused on stretch woven and functional nature fabrics, which are mainly produced in our weaving mill in Taiwan. Moreover, our creative and design-led team cooperates with various finishing factories that allow for a high level of responsiveness when developing design and fabric qualities.

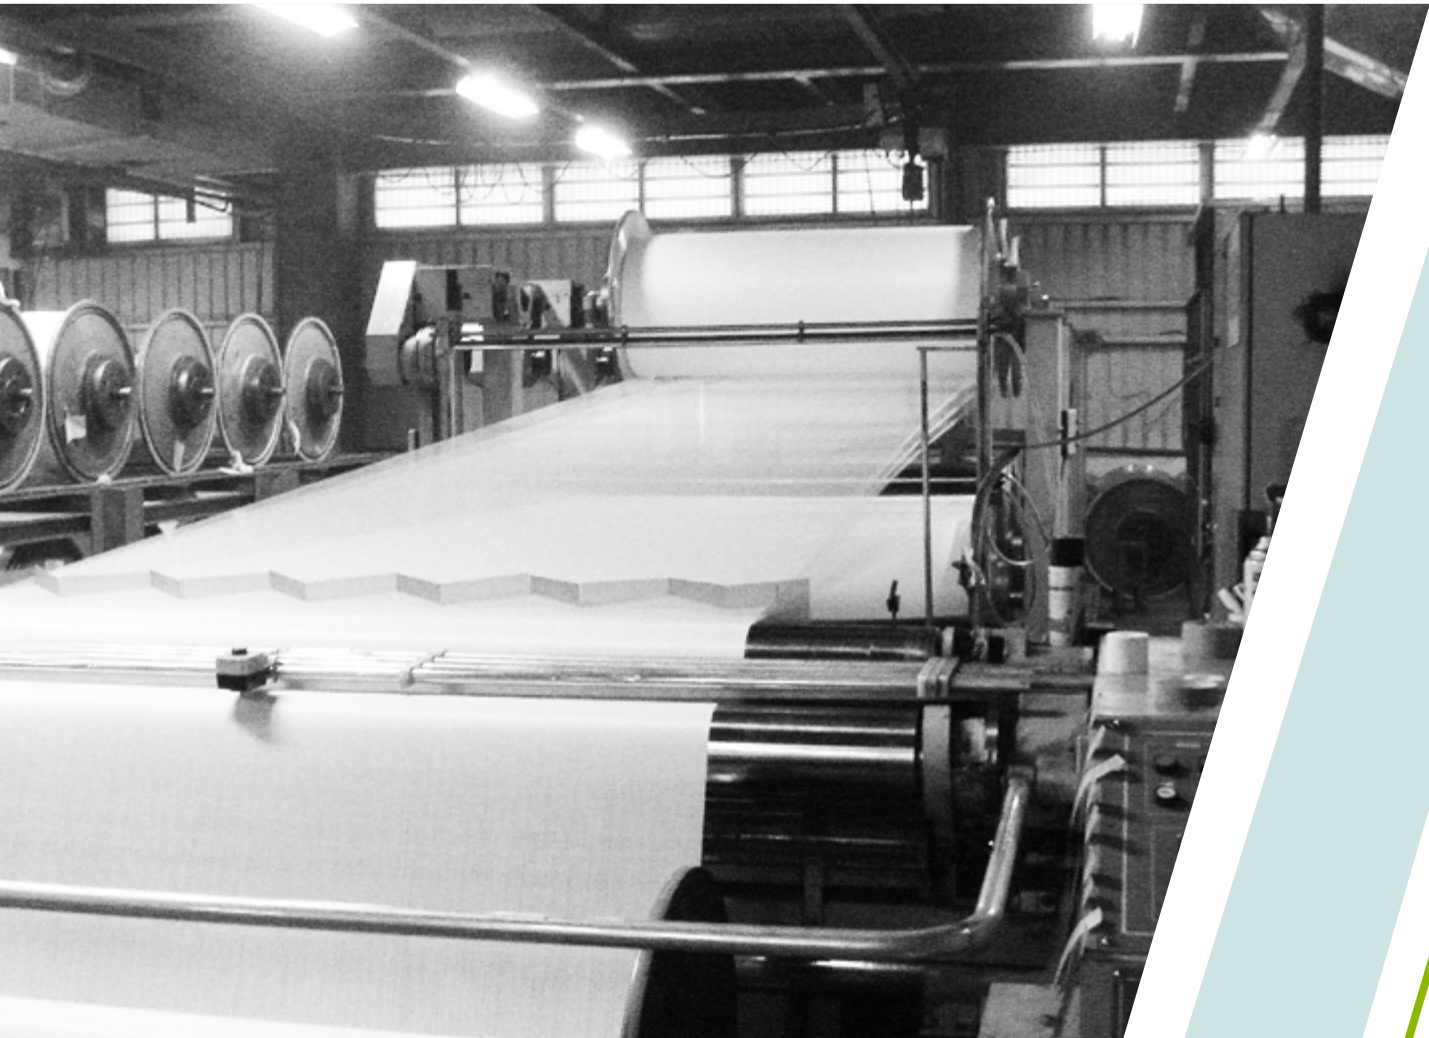

Weaving mill

We also focus on creating ecological, sustainable and ethically responsible high-performance fabrics with Blue Sign, Oeko-tex and GRS certification. YUANTEX has built strong business connections with outdoor sports brands worldwide, eg: Eddie Bauer, LL.Bean, Footjoy, Cutter&Buck, SuperDry, Ronhill, Colmar, La Sportiva, Montura, Tommy Bahama.

**Innovation Is The Key To
Sustained Success**

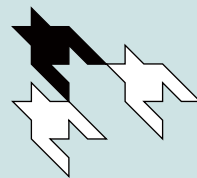

HSTTEX is a subsidiary company of YUANTEX, specializing in print, lamination and high-performance finishing technology, which meet the high-performance demands for outdoor & sports apparel applications

Innovation is part of our DNA at YUANTEX and HSTTEX. We are engaged in a strategy of continuous innovation and sustainable textile development. With the strength of both YUANTEX and HSTTEX, our textile products lead the industry with reliable and high-quality.
