SHINI H'S MISSION AND VALUES

Established since 1962, Shinih® has been steadily growing, building on our core values of integrity, innovation, pragmatism and giving back to the community. Today, we have accumulated a wealth of valuable experience, achieving various milestones along the way. Over the years, we have been exploring every sustainability in the manufacturing of non-woven fabric, living up to our mission in the industry through continuous R&D and stringent quality control. We embrace and implement sustainable development initiatives, and are committed to fulfilling our corporate vision for the wellbeing of our employees and the wider community.
